MyTheme Beta 1.0.10

Index:

1. How to apply MyTheme ?

2. How to change the Background Image of chat window ?

3. How to use smileys?

4. Whom to contact?

1. How to apply MyTheme ?

Close the chat windows (if any).

Open the settings in your google talk main window and navigate to Appearance tab

Under Chat Theme, select MyTheme

2. How to change the Background Image of chat window ?

Run the utility Change Background.exe from Start Menu Programs.

Browse the files to set the path to your desired image. (Only jpg files are supported)

Close all the opened chat windows (if any) and re-open to view the changes.

3. How to use smileys?
